Oakland, CA

Senior, University Student at UC Berkeley, Music

I have worked with independent creative projects for most of my adolescent and adult life and have significant experience in organizing myself and the people around me into making creative ideas a reality. I've spent the past couple years trying to refine my abilities in music and sound and have developed a strong proficiency for sound design. I have a strong passion for theatre and spaces involving people channeling creative passion into a complete idea.

Experience

More detailed samples of my work can be found at the website linked above.

President, *California Jugger Association*
July 2025 –
President of an organization that oversees and supports the 8-10 jugger clubs in California. Reformed the structure of the organization to better accommodate volunteer support and overall logistical structuring. Help run two tournaments a year which receive between 100-160+ players and accommodate over 100 games of Jugger played across the two days.

President, *Jugger at Berkeley, UCB*
May 2025 –
President of the Berkeley Jugger club. In charge of organization that runs 7 events a week. Help significantly with logistics and admin work, plus delegation towards the various branches of club management.

Lead Sound Designer, "*Macbeth"*, UCB
January 2025 – March 2025
Lead sound designer to Barestage's Production of 'Macbeth' with a team of 2 assistant sound designers. Composed complex soundscapes and music for the play, set up cue system, and taught assistants how to use audacity, compose soundscapes, and run QLab.

Assistant Sound Designer, "*Lysistrata",* UCB
January 2025 – March 2025
Assistant sound designer to Ray Archie on a TDPS production of Lysistrata.
Composed music, ran cues in Qlab and ran mixing for dress rehearsals. Additionally did work

with the Lead Sound Designer helping organize recording spaces and microphone setups.

Director, "*STINKJAW: PART ONE", UCB*
August 2024 – December 2024
Directed and produced a self-written two-act play on UCB Campus. Recruited and worked with a team of 25 students and delegated and assisted with work on directing, costume, sound and puppet design, social media management and advertising, and spearheaded logistics.

Live Music, "*Parasite Words"*
September 2024 – October 2024

Director + Producer, "*The Star Driven Expulsion of Count Lastname"*
January 2024 – May 2024
Directed and produced a self-written two part audio drama. Directed actors and composed music with multiple musicians, and then produced and edited the entire audio drama before running a short social media campaign.

Singer-Songwriter, *"I Don't! I Don't! I Don't Hate It! I Don't Hate It!"*
March 2023 – July 2023
Wrote and composed an EP of five songs, both writing the piano and vocal accompaniment. Organized a recording space and produced the songs in post, before running a short advertising campaign before release.

Director + Producer*, "The Railway"*
March 2022 – December 2022

Front Of House, *Red Snapper, Brighton, UK*
August 2021 – July 2023
Managed all aspects of customer service, looking after customers, arranging bookings and reservations, and managing other waiters on a moment-to-moment basis.

Education

August 2023 – May 2027 (intended)
